Event Bulletin 03 – KZ2 Technical

Current Championship Regulation

4.5.4.1 (DRY session) This set of slick race tyres is the only set permitted for use during Timed Qualifying Heats Repechage (if any) and Final.

Additional Tyre Allocation

In addition to the above allocation each driver will also be permitted to use 1 extra front tyre and one extra rear tyre (2tyres)

Any unused slick tyres can be sealed at the allocated time in the timetable and used at the next event as additional race tyres to your 1 permitted race set of slicks

Reason

The above is issued following concerns raised and issued in the interest of sporting fairness and safety.

All Slick tyres will be held in Parc Ferme for the duration of the event after Timed Qualifying
