Rotax & Honda O Plate Event Bulletin 02

Reason: The following Clarifications are made to the tyre allocation for the Rotax & Honda O Plate Event due to Force Majeure and forms part of the Official Documents for the purposes of NCR D.8.1.

Revised Regulation: Due to the change of the Cadet class tyre from the Dunlop tyre to the Vega tyre and consideration that no prior Events have utilised the Vega tyre therefore limited sets of used Vega tyres are currently available, in the interest of sporting fairness, all Honda Cadet competitors are permitted to purchase at the Event, an optional 1 new set of Vega practice slick tyres and 1 new set of Vega practice wet/rain tyres.

All new tyres must be purchased through the Event Organisers.
