CHAMPIONSHIP BULLETIN: 02

The following Clarification is made to the published Championship Regulations for the above Championship and forms part of the Official Documents for the purposes of NCR D.8.1.

Revised Regulation

4.5.4.2 For Practice and Warm-Ups.

- A maximum of up to 1 used set of registered slick practice tyres may be used from session three until the practice ad up to the TQ session.
- Any used tyres can be used up to not including Practice sessions number 3.
- Only registered used practice tyres can be used from practice session number 3 up until Timed Qualifying – tyres will be scanned at the service park entry
- For all practice sessions, if the session is declared Wet or open wet tyres are free and will not be scanned unless they are a new set.
- Wet Race tyres CAN NOT be used in practice or warm up.

All new tyres must be purchased from the Championship organisers

Any used tyres will be subjected to inspection by an Official and if deemed to be not used will be removed from the grid and may be reported to the Stewards.

Reason:

Clarification to reflect the reduction in new tyre usage for the Honda Cadet Class which was not communicated in the original text.
